

Tentative Study Plan – University of Zurich

Courses

Please look up our course catalogue and choose the correct semester (upper right corner).

Exchange students are advised to take a minimum of 20 ECTS per semester. The majority of the courses and ECTS credits have to be taken in the faculty of enrolment. Once you booked the courses, attending them is mandatory, as well as sitting the exams unless you cancel them within the add/drop period. If you fail to do so, the courses will be stated as failed attempts in your transcript of records and there will be no credit points. IMPORTANT: Please check the course selection guidelines for incoming students (scroll down to "Selecting courses and booking modules")

Major subject in which you will be enrolled at the University of Zurich: _____

Please check the degree in which you are enrolled at your home university during your exchange:

- Bachelor/Undergraduate
Master/Graduate
PhD

Table with 4 columns: Module No., Course Title, Semester, ECTS. Includes an example row: 03SM22BO0046, Banking: Structured Products (S), Fall 2024, 3.

Language Courses

The Language Center of UZH and ETH offers language courses including:

- Intensive German language course before the start of the semester (2 ECTS)
German language course during the semester (2 ECTS)
-> separate application is necessary for all language courses of the Language Center.
